## ROOM BY ROOM CHECKLIST

**GATHER THESE ITEMS:** 1) **DIY NATURAL CLEANER SODA SPRAY** 2) **BUCKET** 3) **SPONGE/CLEANING CLOTH** 4) **VINEGAR** 5) **ARM & HAMMER BAKING SODA**

### KITCHEN

- Clean the ick inside your microwave: add a microwave-safe bowl with **Baking Soda** + water; heat on high for 5 min.; remove bowl and wipe clean!
- Clean kitchen sink: sprinkle it with **Baking Soda**, scrub with sponge/cloth, rinse!
- Wipe down counters and appliances with **Natural Cleaner Soda Spray**.
- Sweep, then wash the floor with ½ cup **Baking Soda** + bucket of water and sponge/mop.

- Clean dishwasher: 1) place 1 cup vinegar in a bowl on top rack of empty dishwasher and wash on hot, regular cycle. 2) sprinkle **Baking Soda** liberally inside the dishwasher and run a short hot-water cycle.
- Clean out and wipe down the fridge + freezer with **Natural Cleaner Soda Spray**.

**PRO TIP:** Leave an open Baking Soda box in your fridge to absorb odors for 3 months!

### BATHROOM

- Wipe shelves, cabinets, vanity, and surfaces with **Natural Cleaner Soda Spray**.
- Clean sink and tub/shower with Clean Bathroom Soda: fill a bucket with ½ cup **Baking Soda** + water; wipe with sponge/cloth.
- Clean toilet bowl: pour 1 cup **Baking Soda** + 1 cup vinegar in toilet bowl; let sit 30 min.; scrub and flush!
- Sweep, then wash the floor with ½ cup **Baking Soda** + bucket of water with sponge/mop.
- Scrub tile grout with **Baking Soda** and a toothbrush; wipe with damp sponge/cloth.

### BEDROOM/LIVING ROOM

- Clean and deodorize your couch, carpets, and mattresses: sprinkle an even layer of **Baking Soda** to absorb odors; let sit; vacuum it up!
- Dust furniture and surfaces, wipe baseboards and window sills
- Clean mirrors, computer screens, and TV screens
- Clean windows
- Wash sheets and bedding

**PRO TIP:** Add ½ cup Baking Soda to wash load to help neutralize odors
